"Truckin' " a now word

a word that means

activity, motion.

It says to everyone that

we're moving out

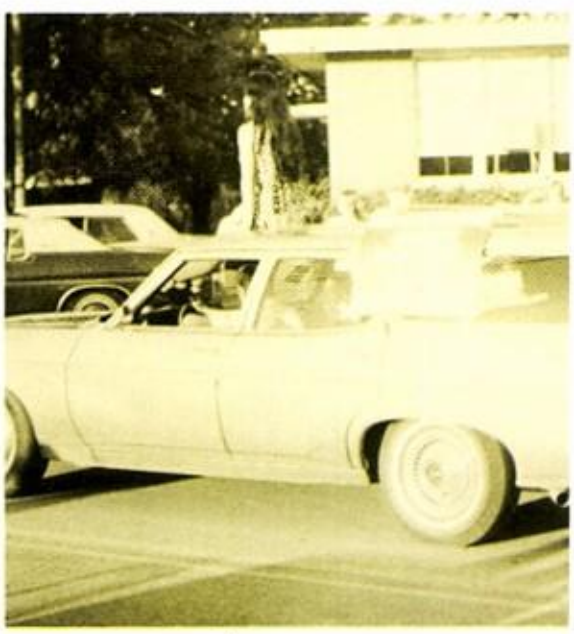
in thinking, caring,

and doing!

"Keep on Truckin'" represents a life style —

a flow of life for us.

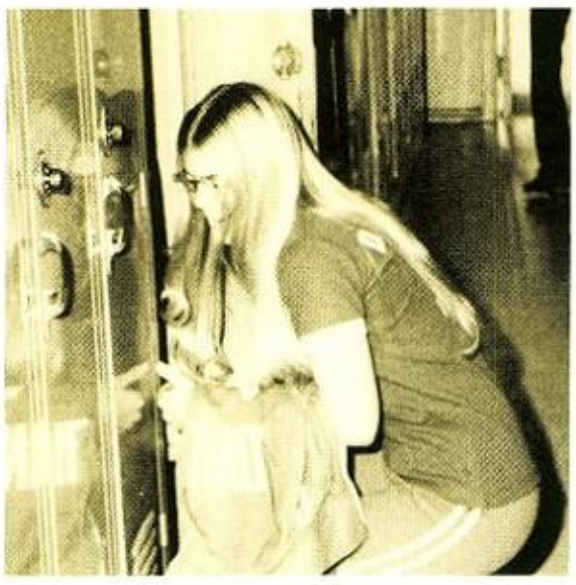
we live it through



academics, sports

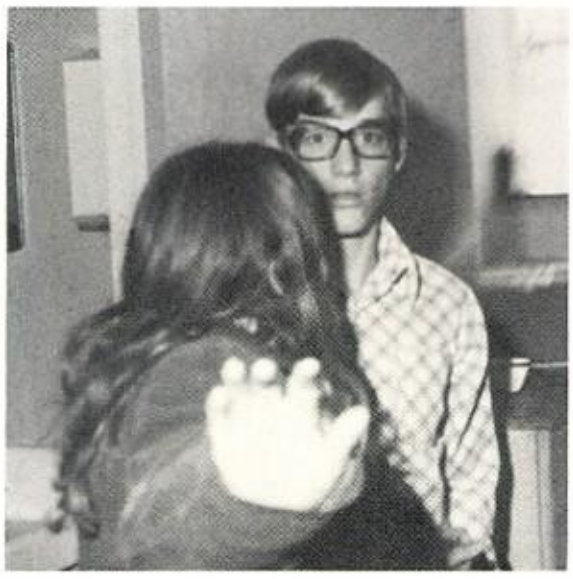
and friendship.

We are



ready to greet the world! Restless . . .
excited . . . confused . . . young!!

But!!!



We're ready to "Keep on truckin'"

Because she has worked for and with us! Because she has given generously of her time and wisdom! Words are a poor substitute with which to express our sincere respect and admiration for this lady. Everyone admires this teacher and looks to her for advice. She is currently chairman of the Social Studies Department, sponsor of the Student Council, and an "honorary" sponsor of this year's senior class, having worked with them since their freshman year.

"Is it that noticeable?"

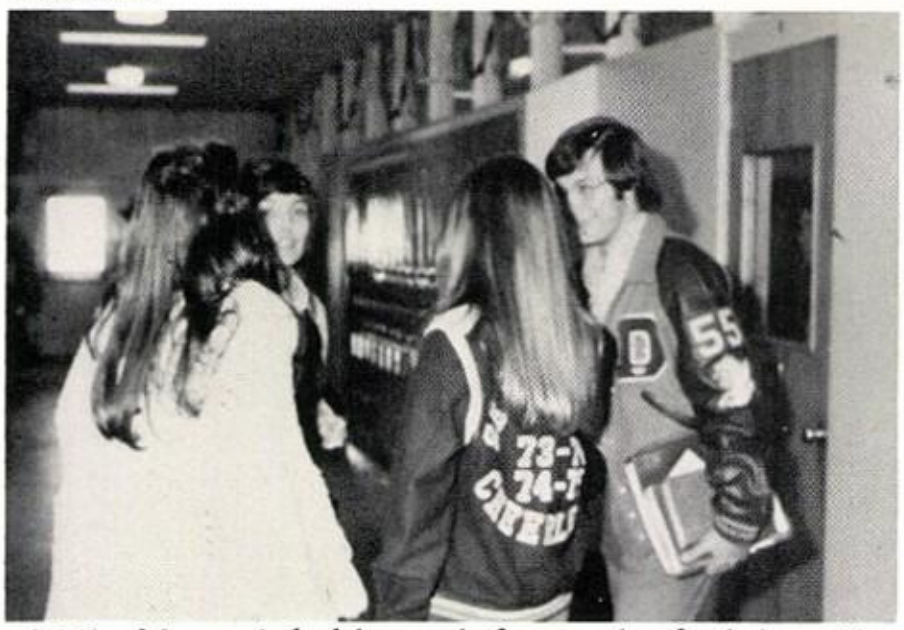
"Honest I got hit in the mouth with a broom by a little old lady!"

"Miss Massey eagerly awaits another Student Council meeting."

"Remember, Miss Massey, heaven has its reward for school teachers!"

"Honest class, Columbus discovered it in 1942."

"It's been a long day!!"



"Miss Massey's babies wait for words of wisdom."

"Only Miss Massey with her undying faith would try to hatch canned goods."

In appreciation for such devoted service, the senior members of the annual staff proudly dedicate the 1975 Spirit to

Miss Linda Massey

Coach Keith Irby's Swimming Sea Dragons compiled an impressive record over the past season. They finished with a 19-10 record and set almost all school records. The team was led by Seniors Kenny Goode, Bobby Goode, Earnie Glazener, Cheryle Gorham, Jeannie McClain, and Marilyn Fulbright. Marilyn capsuled the season with a City-Regional record and advanced to become the 3A State Champion.

The activities included cross-country season Christmas Party, Banquet and lake-ski party. The team also sponsored splash day for the entire school. With perhaps the top Sophomore boys team in the city, it looks like Seagoville will rise into a 4-A Swim King in the very near future.

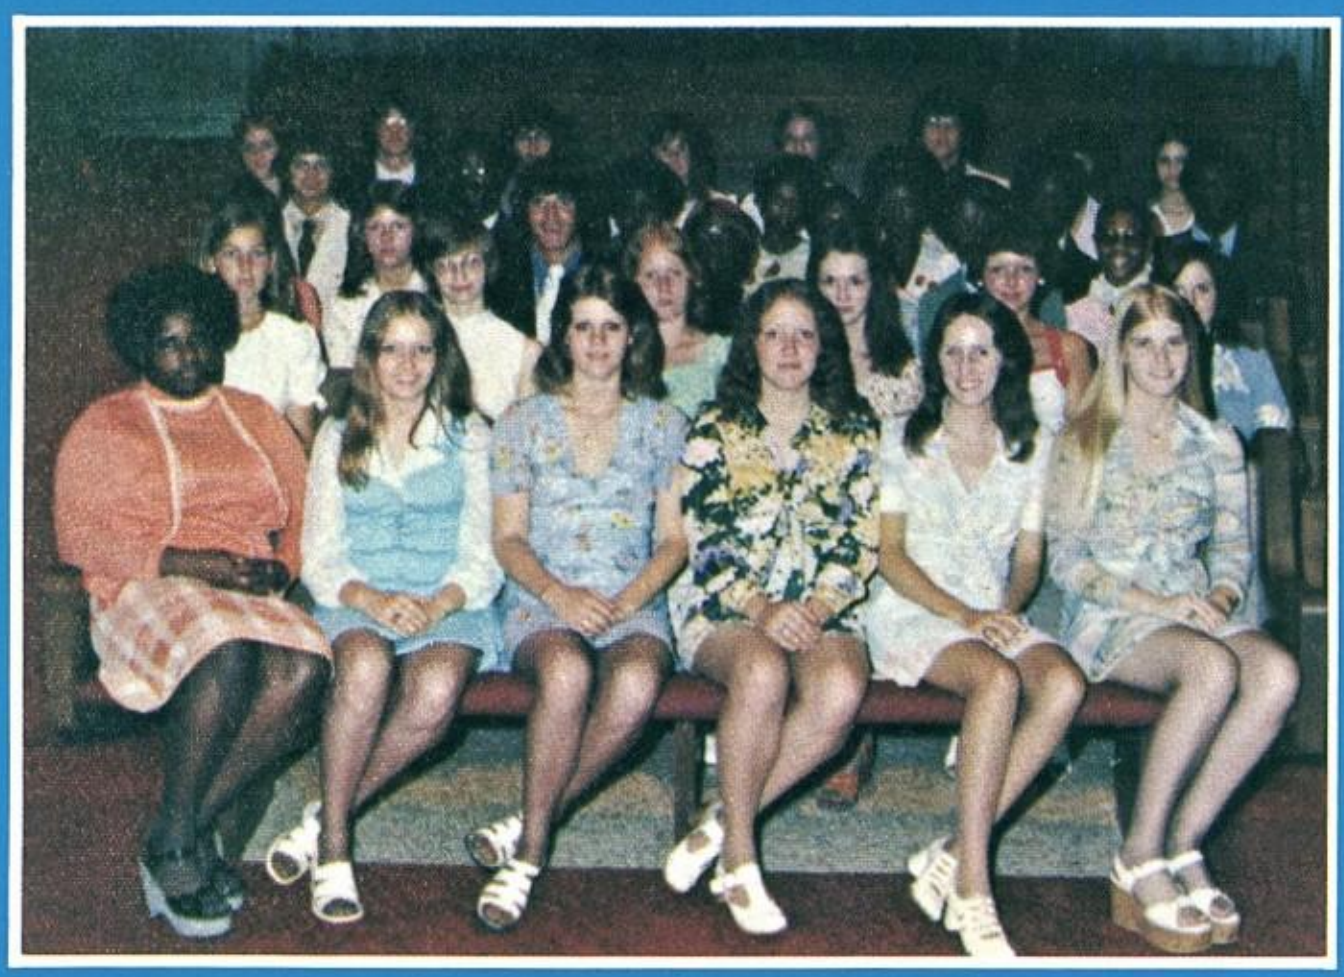
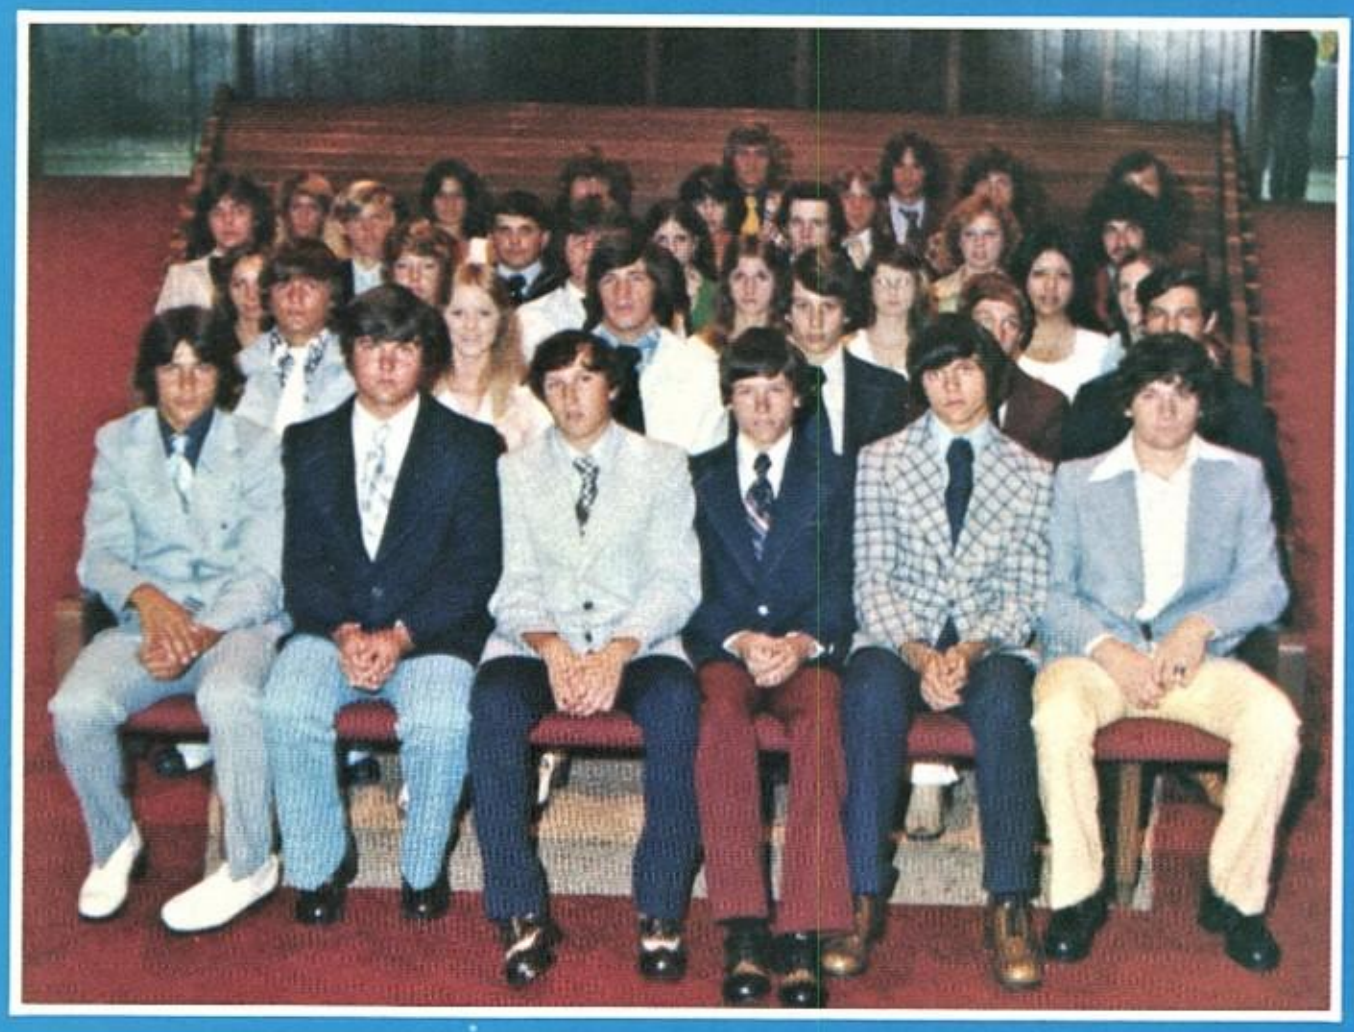
'Precious and few are the memories our class can share:
Finally here is the day we've dreamed of so long.
And as we look back on Senior Days, ah sweet memories we'll bear.
'Cause precious and few are the moments our class can share.

Friends. Teachers. grades they've all been a part of our years.
Memories of floats and of proms bring to our eyes tears.
And as we look back on senior days, ah sweet memories we'll bear.
'Cause precious and few are the memories our class can share.





And as we walk on across that stage.
There'll be joy in the air.
'Cause precious and few are the moments
Our class can share.

We're proud of the caps and the gowns now ours to wear.
Proud of diplomas with our names imprinted there.
And as we look back on senior days, ah sweet memories we'll bear.
'Cause precious and few are the moments our class has shared.

Dear Students and Faculty,

The measure of success is not whether you have a tough problem to deal with, but whether it is the same problem you had last year. I would admonish each of you to find your hidden strengths and weaknesses and build on the strong points and make a continuous concerted effort to eliminate the weak points. I realize that some of the problems that arise from day to day are uncontrollable, but each of us has to accept our responsibilities in working with the situation.

My best wishes go out to all graduating seniors. I am confident that you will give 100% support to the task at hand.
